

Participation Quiz

Suggested use:

A teacher, Aide, or other adult systematically observes the groups as they work and checks the blanks. Teams get feedback on how often they are observed working (or not!)

Specific remarks can be recorded as well in the spaces below the teams.

Depending on teacher goal, points may or may not be entered into the gradebook.

Team 5

Name: _____	Name: _____
Working: _____	Working: _____
Not _____	Not _____
Name: _____	Name: _____
Working: _____	Working: _____
Not _____	Not _____
